any of the above crimes I am charged and convicted of, but not limited to the above(10) I will at first try before, using my arrest powers, to treat all people in a manner I would want to be treated that would not shock, disgust, society and will expect the same harsh treatment as I treat those who are harmless, poor ,mentally confused, I will always lisen to their side of their storys never using rude interrupting traps to enrage them, cop entrapment f.s. 777.201, if I have used any enrageing tactics I will not be able to press extra cop asult charges and will put myself in their shoes, using compassion, never automaticly favoring the rich over the poor example I will lisen to homeless and bicyclest rights, I will never arrest where there isint photo,video a audio recorded proof where the acused unprovokingly started the orginial trouble, I will always try to desclate, calm down a situation, as I know I will be much safer from possible avoidable harm (11) I will always let those wiling explain their side time , not using any rude, interrupting traping techniques,cop entrapment f.s. 777.201 even if non violent arguementive, to let off their anger, disgust, surprise, espically the poor trying to stand up for their rights society tends to ignore, as I know I will be safer from harm (12) I have given the acused / arrested all the rights I would want in the florida police bill of rights, but not only limited to them (13) I gave them a case numbered,controlled form to the acused / arested for the accused to write down their side, while events, defense evidence, support witnesses is freshest under the threat of idmeate firing, jail, prison (14) I preserved any witness /evidence that could clear the acused that they might not know about at the time of the accusing or arrest (15) under the idmeate threat of fireing, jail, prison, I forwarded, immediately, all of the acused / arrested side of their story, evidence, that could clear them fast as possible (16) I swear under perjury f.s. 837 the crime the person is acused of originated in their minds, they were the orginial trouble starters, and they could have avoided it in the first place, their actions or inactions were a obvious threat or harm to a private individual, and they were not in any way provoked to do violence, by me the cop, or any claimed victim , non profit 501-c3 employee, private business, public servent f.s. 876 (17) it was not even faintly, forseably a god given, uninaliable defense right, home, car, quiet enjoyment rights, general public access rights, in any
