Subject: traffic hearing case o8-345o4-tr 3.220 discoveryattempts of bay county cort house an panama city cop shop

I i was pleasantly suprised when your asistant amy gave me your e mail adress, which i couldnt get from the bay county cort house 2 about a week after my traffic stop on my earth eficient transport device i physicaly went to the panama city cop shop an tried to hear cop to cop dispatcher comunucatione folowing florida statutes 119 public records 286 florida sunshine laws their public servent oath 876 united states code title 18, 242 an 242, i was met with such hostility, road blocking, arogance, cop entrapment tactics 777.201 of the florida statutes an was at any second thought i was going to have my precious freedom taken away under 839.25 which pamela smoak prosecuted david ross, so almost 6 months later today march 23, 2009 i caled the panama city cop shop march 25, 2009 on the phone,

less chance of being cop terrorised arrested and asked them what is the process to hear dispatcher. cop radio communication, to get the cops robert harington or any of the 4 cop car\$ written side on 3.43 thank\$giging day as written on the ticket, asked to talk with the public hearing specialist was told was a brinda, a rusito, still no satisfaction, so i guess i wil get what i want on the day of cort, because i am asuming because u.s.c title9 which gave you the right not privilage to engage in a ocupation to further protect the less conected. liked/ barely tolerated as all lawyers swear under god in their oath to the florida bar, to defend a us citizens right art 1 sec 16 to conjfront verbly n even cussing out, hostilely their acusers, with no fear of loosing their freedom jail to get to the truth,i intend, showing my disgust, verbal anger, on as i am going to asume you remember women suferage, good ol boy entrapment techniques 1 there will be no hurying up techniques, the hearing will go on till i am through possibly hours, whats that compared to almost 6 months of not knowing anguish,with my extreemly hostile verble interogation 2 the internet will be a testifier on my behalf 3 i will very harshly interogate my acusers under my united states an florida constutuinal uninialable rights, under holy bible deutronomy 19, 18-19 and exodous 20 16 4 the cops will verbly an loudly recite their cops oath 5 they will bring in their public servent oath certificate 6 they will include video or any other recordings see state vs fort walton deputy cullen corane no radar no case no video no case 7i am asking you to order all cop to cop, radio to cop dispatchercomunucation or any other 3.220 discovery 8 i would like you to order the number of cop cars that showed up for alitle ole rusty bicycle 8 why they were not more disbursed out on a holiday when more likely drinking an fighting , legitimate reasons for 4 cop cars to converge in 1 location 9 what are the justifications for threating to snatch (cop felony entrapment fla statutes 784, 777.201, usc title 18, 241-242 felony american teriorest acts , hate group crime (be nice sign on bicycle) felony hate crimes 10 order the cop to ask who firstarived on the scene 11 is he expected to testify ti that he didnt see 12 is it a jailable ofense to verbly question a cops actions, inactions 13is he expected to remember with cort testifiable realibility all stops 13 explain why he didnt measure road 14 if the copsaif it was a easy ticket to "take care of than isint that a indication it would be no sweat for him to pay it 15 if a bicycest was to loose their control, wind, dead animals, glass trash trafic crash, whole muflers, nasty motorist screaming, honking, an they vieded out further than their normal travel is that a automatic trafic ticket 16 are all curbs an side walks city swept 17 are the cops suposed to go after the most anoying wide spread cominity crimes like loud car stereos under florida statutes 316.3045, felonies 806,10 hinder emergency vehicles, 874 posible gang signaling, drug terortory marking 30.15 cops to idmeately arest 403.161 felony noise 932 contraband american terrorist acts 876 60.05 state atty prosecution justification every cop that i came in contact had not writen even 1 ticket, an even the florida constution art 2 sec 7 says no unesary noise tolerated, under their 876 public servent oath violation shona you being a former prosecuter i sat in the cout roon when james o sales from atlanta was questionably prosecuted where his wife wilfully violated a judges visitation order, where he was sprayed with mace where james white was the defense atty, where is seems to me the cops just couldnt figure out how to let all sides write down their side favored the " very attractive wifes side" or colect favorable evidence for the acused 18 i am sure you have seen on the prison points paper in vague writing law enforc. protect. well how bout we make it mean something 19 i will not accept any dropping if this case (as it is asumed they wouldnt ever file a false ticket? i want to let this clown know that just because i ride a rusty old bicycle, stick up for the countless questionably jailed homeless, which the great an mity 501c3 panhandlers aint got the guts to do, least the violate their rich pig hog ,slops trough look the other way briberyagrement, for all i know they had stock in the jail? poor lary finch who had more guts god rest his soul 2-14-07 than all the sick sadistic idiots, who alow countless out of town vi\$\$\$\$itor\$\$\$ get drunk an put the public
